OUR SCHOOLS NEED YOUR HELP

The national average public school district spending per student is \$11,841. The Cabrillo Unified School District spends \$7,565 per student, 35% lower than the national average.

The achievement gap between our nations' wealthiest and poorest school districts is dramatic.

Let's change that!

Computer Science

Grades 4 & 5

Grades 6 & 7

HS Elective Course

CEF STRATEGIES:

- Expand coursework for students to receive instruction in CS before graduation
- Prepare students for 21st Century workforce

Science

Faculty-directed professional development and collaboration

CEF STRATEGIES:

- Assist secondary science teachers to become experts in Next Generation Science Standards
- Faculty develop strong vertical articulation from 6th through 12th grade science courses

INNOVATION GRANTS

Provide advanced-level learning experiences.

Grants

Inspire and support innovation

CEF STRATEGIES:

- Award \$8,000
- Fund Innovative project grants to faculty and eligible students

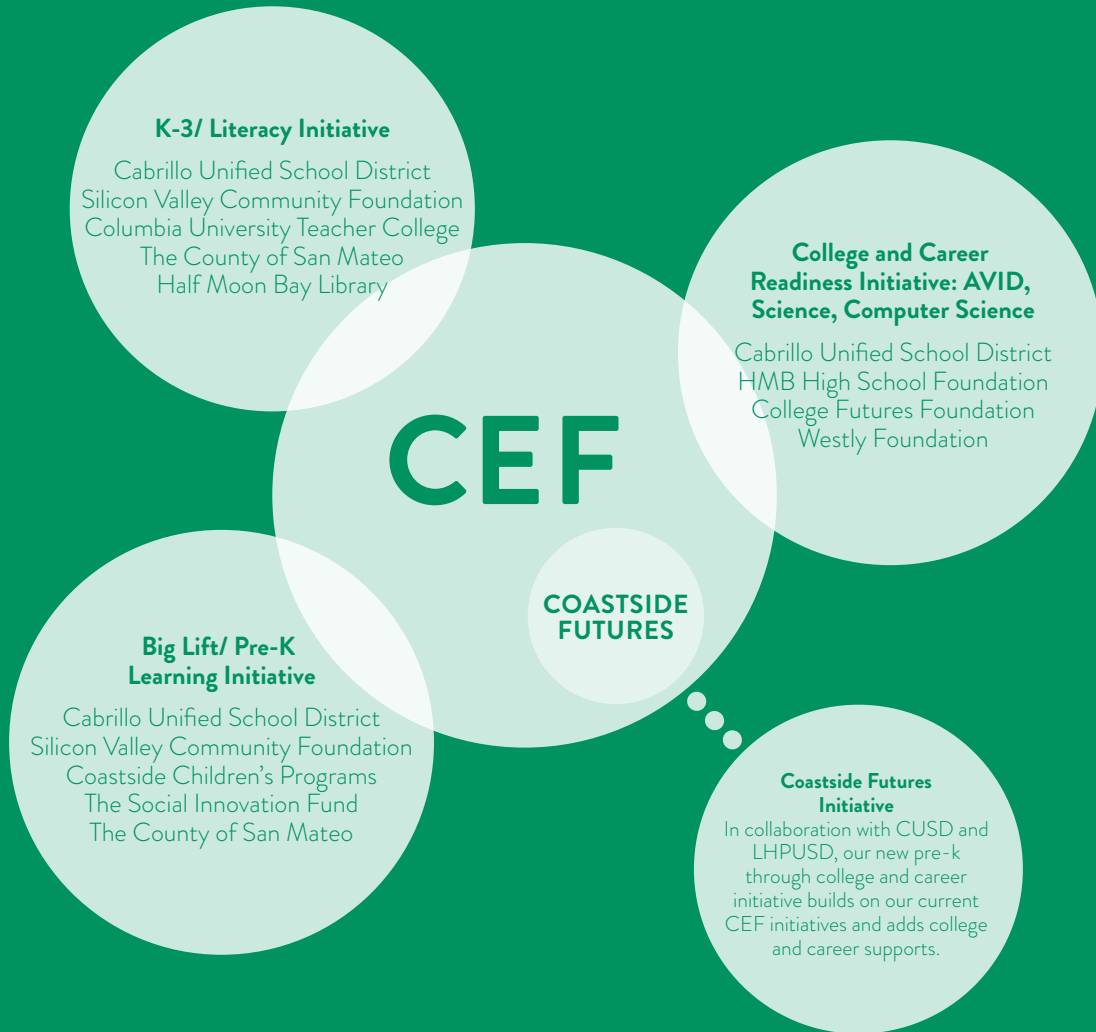

COASTSIDE FUTURES

NEW CEF INITIATIVE:

In collaboration with CUSD and LHPUSD, our pre-k through college and career initiative builds upon current CEF initiatives for student success.

OUR PARTNERS

We build strategic alliances to achieve greater impact for our initiatives.
